Keynote Speaker

Hugh Herr, Ph.D.
Director, Biomechanics Group,
MIT Media Lab
2018 SYMPOSIUM SPEAKERS

James A. Lederer, MS, PhD
Associate Professor of Surgery, Harvard Medical School

Su Ryon Shin, Ph.D.
Instructor of Medicine, Brigham & Women’s Hospital
2015 & 2017 Stepping Strong Innovator Award Winner

Natalie Artzi, Ph.D.
Assistant Professor at Brigham and Women’s Hospital, Harvard Medical School
Principal Research Scientist, Institute for Medical Engineering and Science at MIT
Associate Member, Broad Institute of Harvard and MIT

Morteza Mahmoudi, Ph.D.
Instructor, Anesthesia and Farokhzad Lab, Harvard Medical School (HMS) and Brigham and Women’s Hospital
2017 Stepping Strong Innovator Award Winner

Jeff Karp, Ph.D.
Professor of Medicine at Brigham and Women’s Hospital, Harvard Medical School,
Principal Faculty, Harvard Stem Cell Institute
Affiliate Faculty, Broad Institute

Bohdan Pomahac, M.D.
Roberta and Stephen R. Weiner Distinguished Chair in Surgery, Brigham and Women’s Hospital
Director, Plastic Surgery Transplantation
Professor of Surgery, Harvard Medical School
2015 Stepping Strong Innovator Award Winner

Giorgio Giatsidis, M.D.
2016 Stepping Strong Plastics Fellow
2017 Stepping Strong Innovator Award Winner
Instructor in Surgery, Brigham and Women’s Hospital

Dennis Orgill, M.D.; Ph.D.
Medical Director, BWH Wound Care Center
Professor, Harvard Medical School
Stepping Strong Research Scholar

John Wixted, M.D.
Assistant Professor:
Harvard Medical School, Orthopaedic Surgery

Mitchel B. Harris, M.D.
Medical Director,
The Gillian Reny Stepping Strong Center for Trauma Innovation
Chair, Department of Orthopedic Surgery, Massachusetts General Hospital

Ali Salim, M.D., FACS
Medical Director,
The Gillian Reny Stepping Strong Center for Trauma Innovation
Division Chief, Trauma, Burns, and Surgical Critical Care, Brigham and Women’s Hospital

Matthew Carty, M.D.
Director of Strategy & Innovation, The Gillian Reny Stepping Strong Center for Trauma Innovation
Director of the Lower Limb Extremity Transplant Program at BWH
Assistant Professor, Harvard Medical School
2014 Stepping Strong Innovator Award Winner

Nish Acharya, MPA
Program Director, The Gillian Reny Stepping Strong Center for Trauma Innovation

David M. Crandell, M.D.
Medical Director Amputee Program
Medical Director Adaptive Sports Program
Co-Director Dean Center for Tick Borne Illness Treatment, Rehabilitation and Recovery
Assistant Professor of Physical Medicine and Rehabilitation, Harvard Medical School

Hugh Herr, Ph.D.
Director, Biomechanics Group, MIT Media Lab
Lecturer on Physical Medicine and Rehabilitation, Spaulding Rehabilitation Hospital

Audrey Epstein Reny, MBA
Founder & Chair, Advisory Board,
The Gillian Reny Stepping Strong Center for Trauma Innovation
Managing Partner, The Abbey Group

Eric Goralnick, MD, MS
Medical Director of Emergency Preparedness, Brigham and Women’s Hospital
Assistant Professor of Emergency Medicine, Harvard Medical School;
2016 & 2017 Stepping Strong Innovator Award Winner
