CRC Activities

CRC at NAMI Mass Advocacy Day

Joining around 200 other mental health advocates, a group from the Cole Resource Center attended Advocacy Day at Massachusetts State House on April 8, 2019. The NAMI Massachusetts event included a morning program of speeches and afternoon appointments with participants’ own legislators. The focus of Advocacy Day this year was support for NAMI’s current legislative priorities including mental health parity, criminal justice reform, and housing.
Cole Resource Center team at NAMI Walk!

On Saturday, May 11, a team from the Cole Resource Center will participate in the NAMI Mass Walk. Here’s our team T-shirt!
