A two-day professional development workshop for healthcare professionals who work with children and youth who experience acute and/or chronic pain

Workshop Overview:

The ECHO Education Event is a two-day professional initiative. The curriculum, presented as a composite of didactic and interactive teaching, focuses on core competencies in acute and chronic pain management, which include physical, psychosocial and pharmacological strategies.

A maximum of 30 participants are invited to attend.

This Event is free to attend, and is fully accredited by the University of Toronto’s Continuing Professional Development Office.

Date and Time:
Thursday, February 6th and Friday, February 7th, 2020
8AM – 4PM

Location:
The Hospital for Sick Children
Peter Gilgan Centre for Research and Learning
686 Bay St, Toronto, Ontario, M5G 0A4

Cost:
There is no registration fee.
Who Should Attend?

This event is open to health care professionals practicing in Ontario (e.g., physicians, residents, nurses, social workers, physiotherapists, occupational therapists, psychologists, etc.)

Workshop Learning Objectives

This Event supports participants to achieve the following:

- Improve confidence and ability to manage pain in children and youth in their practice
- Acquire and apply new knowledge and skills for managing pain in children and youth

A more detailed agenda for the event will be released in early January 2020.
