THE THIRD ANNUAL UNIVERSITY OF MAINE SYSTEM AGING INITIATIVE SUMMER WORKSHOP

MONDAY, AUGUST 14, 2017
10:00 AM - 3:00 PM
THE UMAINE HUTCHINSON CENTER
80 Belmont Avenue (Route #3)
Belfast, Maine

- Are you conducting innovative research, developing cutting-edge technologies, devices, and products, or designing specialized curriculum and services that address the older adult population and the aging experience?

- Do you want to reach a statewide audience of UMS faculty, researchers, and students, as well as community and business stakeholders with special interests in aging-related issues?

Then you will want to exhibit at this year's UMS Aging Initiative Workshop!
