Progress in the implementation of the 2030 Agenda for Sustainable Development

Draft decision proposed by Monaco and Zambia

The Seventieth World Health Assembly,

PP1 Having considered the report on progress in the implementation of the 2030 Agenda for Sustainable Development, decided:¹

OP.1 to request the Director-General, every third year after 2017 and until 2030, to: (i) review global progress of implementation of resolution WHA68.15 (2015) and (ii) report thereon to the Health Assembly as part of the Director-General’s reporting on the health in the 2030 Agenda for Sustainable Development.
