Network

You and your guest will have the chance to mingle with hundreds of your pediatric colleagues from across the state, plus 50+ of the leading healthcare vendors during the cocktail reception!

The networking cocktail reception takes place from 5:30 pm-7:00 pm CT in the main vendor hall. There will be drink and hours devours for everyone!
CPF’s inaugural Excellence in Children’s Health award was given to the Tennessee Governor’s Children’s Cabinet and Tennessee’s First Lady Crissy Haslam in 2017 for their efforts to streamline Tennessee’s pediatric resources.

In choosing a nominee for the 2018 award, CPF leadership unanimously agreed to honor Rascal Flatts: Gary LeVox, Joe Don Rooney, and Jay Demarcus based on their work with Monroe Carell Jr. Children’s Hospital, Make A Wish Foundation, and Tim Tebow Foundation “Night to Shine”.

Throughout their career, Rascal Flatts has highlighted the attitude of “being blessed enough to pay it forward”. This attitude coupled with the “Night to Shine” message makes a difference in childrens lives by empowering patients to “shine” and enjoy life, regardless of their medical conditions.

Who is CPF? The Cumberland Pediatric Foundation is a public, non-profit company organized exclusively for scientific, charitable and educational purposes to improve health care services for children.

What does CPF believe? Cumberland Pediatric Foundation believes that promoting the healthcare and wellness of children is best done by providing their primary care physicians (our members) with education, research, and networking resources.

What is CPF’s Mission? Cumberland Pediatric Foundation’s mission is to promote the health care of children of the Cumberland Region by improving the quality, increasing the efficiency, and lowering the cost of the delivery of pediatric health care services.

Affiliated with Monroe Carell Jr. Children’s Hospital at Vanderbilt, Cumberland Pediatric Foundation has staff and a board of directors consisting of pediatric physicians, nurses, Vanderbilt representatives and community leaders. By working closely with the providers, the foundation develops "best practice" guidelines for delivering and documenting quality pediatric care. The foundation delivers a range of services to physicians and their staff and provides extensive educational resources for the pediatric community.

MEMBER BENEFITS:
· Physician Education: Access to countless resources and educational seminars designed to keep members updated on current health care topics.
· Everyday Discounts: Significant discounts on a range of services that impact daily operating expenses, including vaccines, medical surgical supplies, medical waste management, staff background checks, collections and in-practice pharmacies.
· Office Management Resources: Best practices and training opportunities for office staff and management, including Coding training, PEARs and other classes.
· Support: Assistance with coding, training, hiring and background checks for office management and staff, including an active job board for positions available across the community.
· Community: A vibrant and growing community of pediatric service providers in the Cumberland region and beyond. Attend monthly dinner programs, special events and programs at Monroe Carell Jr. Children’s Hospital at Vanderbilt.

The Cumberland Pediatric Foundation currently serves over 700 members and growing!
