FRUGAL INNOVATION WORKSHOP

“Saving the NHS Costs - The Frugal Way”

AGENDA

Monday 06 November | 10.00 - 17.00 | Discover

Part One: Dr Prashant Jha will introduce the concept of the frugal innovation mindset during a one-hour introductory seminar. You will then begin the first two-hour workshop which will see you work in groups to ‘discover’ the unmet clinical challenges.

Wednesday 08 November | 14.00 - 17.00 | Define

Part Two: You will spend the ‘define’ day exploring your initial research ideas to gain a better understanding of the frugal innovation mindset and how it can be applied.

Friday 10 November | 09.00 - 12.00 | Design

Part Three: On the final day you will ‘design’ and build working prototypes, leaving the session with the knowledge and adaptive tools required to apply the frugal innovation mindset to your own research.
