Summer Internship Opportunities

**LANDSCAPE MAINTENANCE INTERNSHIP**

An amazing internship opportunity exists for a student interested in hands-on landscape maintenance! Responsible for the landscape maintenance for all properties associated with the Kimmel Orchard and Vineyard.

Main duties will include mowing, insect, disease and weed control, fertilization, demonstration bed and outdoor classroom maintenance. Identification of problem areas and developing solutions. Renovation of the demonstration beds and development of information signs for the grounds as needed. Trail maintenance which will include weed control, pruning and applying wood chips as needed.

All Kimmel interns will be cross-trained in a variety of areas and additional responsibilities include other duties as assigned. This intern will also document their internship experience by creating educational materials and through social media channels. Must be 19 to apply.

**ORCHARD INTERNSHIP**

A great internship opportunity exists for a student wanting to gain hands-on experience in overall Orchard operations! Assist orchard management with duties throughout the Kimmel Orchard and Vineyard property.

Main duties center on the production of a wide variety of fruit trees, small fruits, grapes and vegetables; however, all Kimmel interns will be cross-trained and include other duties as assigned. Responsibilities will include mowing, planting, harvesting and overall production of the crops grown at the orchard.

Duties will also include maintenance of the educational trail system located throughout the property. Activities associated with the trail include weed control, pruning and applying wood chips as needed.

This intern will also document their internship experience by creating educational materials and through social media channels. Must be 19 to apply.

**Internships: 35-40 hours per week, with some weekends. PAID Internships ($10-12/hr.)

**Email resume/cover letter directly to ebeethe@kimmelorchard.org**
Summer Internship Opportunities

MARKETING/BUSINESS DEVELOPMENT INTERNSHIP
