Who is SSI?

The SSI Board is composed of the six of us pictured below. We are hired, Graham-funded liaisons between the University of Michigan’s administration and students. Our purpose is to facilitate available resources and funding to your organization and to help support, connect, and empower sustainability organizations across campus.

Andrea Paine
Senior

Valeriya Epshteyn
Junior

Monica Walker
Senior

Saloni Dagli
Senior

Caroline Larose
Ross/Erb

Kari Paine
SNRE
How to Request Zero Waste Supplies

Follow [this link](#) to find the forms you will need to submit. If your event is less than 100 attendees, you will need to fill out the small events form. If your event is larger than 100, you will fill out the large events form.

Submit your form at least 4 days in advance of your event.

We have plates, cups, forks, spoons, knives, and compostable bags. Additional special requests may be made for other materials, such as bowls.

Meet with an SSI rep before your event to discuss zero waste policies and where to dispose of the compostable bags.

Central Campus disposal: Tap Room in the Union
North Campus: EECS loading dock

Any person or organization can apply for a small-scale grant of $1,000 or less for sustainability-related projects or initiatives. These are accepted on a rolling basis throughout the year.

Planet Blue Student Innovation Fund (PBSIF) Grants up to $25,000 are available for student-led projects promoting sustainability at UM and directly affect the campus community. We provide assistance for proposal development, budgeting, grant reporting, etc. during this year-long process.
